ABOUT US

-Founded-

In 2000, it initially produced PVC blister industrial products, including toy packaging and industrial product packaging. With the improvement of the quality of life and the emphasis on packaging materials

Our vision and mission are "Sincere, Satisfied and Safe". To provide every customer with high quality, competitive price, fast delivery and perfect after-sales service. In order to establish a long-term cooperative relationship, we focus on meeting customer needs.

-Innovation-

In 2012, the PLA environmental protection material production process was implemented, the application of environmental protection materials was launched, and a better living standard and environment were created. Obtain ISO9001 certification in 2022. It is about to obtain ISO14001 certification in 2023.

-Transformation-

Since 2008, it has been committed to the production of high-quality food packaging products and has begun to produce HIPS, PS, PP, OPS, PET vacuum plastic molding products. Products cover sushi boxes, lunch boxes, soup bowls, and various food containers.

-Certification-

In addition, material inspection will be carried out for each product, and there are multiple management system certifications, including US FDA certification, European Union EU certification, Japanese Ministry of Health and Welfare inspection, Saudi Arabia SASO certification, ISO9001 certification, etc. Customers can use our products with peace
