About MANLUEN

Based in Foshan, Guangdong — 25 years of professional food-grade thermoformed packaging manufacturing. Specializing in PS / PP / OPS / PET, serving global chain restaurants and supermarket brands.

A food-grade-first thermoforming factory.

Since 2000, MANLUEN has focused on the R&D, production, and export of food-grade thermoformed containers. Our 18,000㎡ facility in Danzao Xilian Development Zone, Foshan, Guangdong, runs 12 imported thermoforming lines, with a daily capacity of 500,000 pieces.

We do not do general merchandise — only food packaging. From raw material sourcing and mold development to workshop environment and testing standards, everything runs under the ISO 9001 system. This is what fundamentally sets MANLUEN apart.
